

# CENTRAL COUNTY COURTHOUSE SAN BERNARDINO

# CENTRAL COUNTY COURTHOUSE SAN BERNARDINO

- The San Bernardino Central County Courthouse, completed in 1927, is. the Courthouse has remained in continuous use as a courthouse since its construction.
- The Courthouse is a four-story classically-inspired building constructed of reinforced concrete cladd with monotone pink-beige cast stone and stucco with extensive cast stone detailing at the base and cornice. The interior plan has a public corridor laid out in a cross-axial plan. The public corridors have marble wainscot, oak doors and transoms, and decorative plaster ceilings.
- The San Bernardino Central County Courthouse was placed on the National Register of Historic Places on January 12, 1998.
